AN ACT

To repeal section 208.010, RSMo, and to enact in lieu thereof one new section relating to income disregards for public assistance eligibility.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 208.010, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 208.010, to read as follows:

208.010. 1. In determining the eligibility of a claimant for public assistance pursuant to this law, it shall be the duty of the division of family services to consider and take into account all facts and circumstances surrounding the claimant, including his or her living conditions, earning capacity, income and resources, from whatever source received, and if from all the facts and circumstances the claimant is not found to be in need, assistance shall be denied. In determining the need of a claimant, the costs of providing medical treatment which may be furnished pursuant to sections 208.151 to 208.158 and 208.162 shall be disregarded. The amount of benefits, when added to all other income, resources, support, and maintenance shall provide such persons with reasonable subsistence compatible with decency and health in accordance with the standards developed by the division of family services; provided, when a husband and wife are living together, the combined income and resources of both shall be considered in determining the eligibility of either or both. "Living together" for the purpose of this chapter is defined as including a husband and wife separated for the purpose of obtaining medical care or nursing home care, except that the income of a husband or wife separated for such purpose shall be considered in determining the eligibility of his or her spouse, only to the extent that such income exceeds the amount necessary to meet the needs (as defined by rule or regulation of the division) of such husband or wife living separately. In determining the need of a claimant in federally aided programs there shall be disregarded such amounts per month of earned income

19 in making such determination as shall be required for federal participation by the provisions of
20 the federal Social Security Act (42 U.S.C.A. 301 et seq.), or any amendments thereto. When
21 federal law or regulations require the exemption of other income or resources, the division of
22 family services may provide by rule or regulation the amount of income or resources to be
23 disregarded.

24 2. Benefits shall not be payable to any claimant who:

25 (1) Has or whose spouse with whom he or she is living has, prior to July 1, 1989, given
26 away or sold a resource within the time and in the manner specified in this subdivision. In
27 determining the resources of an individual, unless prohibited by federal statutes or regulations,
28 there shall be included (but subject to the exclusions pursuant to subdivisions (4) and (5) of this
29 subsection, and subsection 5 of this section) any resource or interest therein owned by such
30 individual or spouse within the twenty-four months preceding the initial investigation, or at any
31 time during which benefits are being drawn, if such individual or spouse gave away or sold such
32 resource or interest within such period of time at less than fair market value of such resource or

38 some other purpose;

39 (b) The resource shall be considered in determining eligibility from the date of the
40 transfer for the number of months the uncompensated value of the disposed of resource is
41 divisible by the average monthly grant paid or average Medicaid payment in the state at the time
42 of the investigation to an individual or on his or her behalf under the program for which benefits
43 are claimed, provided that:

47 not be used in determining eligibility for more than sixty months;

48 (2) The provisions of subdivision (1) of subsection 2 of this section shall not apply to
49 a transfer, other than a transfer to claimant's spouse, made prior to March 26, 1981, when the
